President's Report - May 2017

As the year flies past at a rate of knots I have very little to report in my role as President this month. As we are moving towards the necessary administrative tasks needed for the successful running of next year's championships, I would like to thank those in the association who have hit the ground running.

We have received no joy from the Department of Fair Trading since Belle and I finalised some necessary paperwork and will pass the baton to Belle and ask if she can follow this up over the ensuing months.

I would like to congratulate those involved in the start-up of the QLDA and would move that we offer a letter of congratulations from the LDAA for their foresight and continued success (if we haven't done so already)

The "Mayworth" Festival has come and gone and we did have a great presence at the event. Our banner was placed in a "high profile" position, our flyers were distributed on the Sunday (thank you to Cathryn for her ability to promptly get an example to me), the championships were advertised by the event MC, Jamie and myself in the role as DJ and our sponsorship of a junior section was fulfilled and I was able to present the sponsorship dollars to the winning team. I haven't secured a photo of this happening yet but will endeavour to do so to put on our social media page/website.

I had an informal discussion with the president of the VLDA on the continued growth of both associations and am happy to discuss at a meeting some suggestions that came up.

Thanks to those who are continuing to work hard on behalf of the association whilst maintaining a work/life balance.

Kelvin Dale

LDAA President 2017
